

CELEBRATING GROUND STAFF AND STRAPPER AWARDS

2022

JUMPS RACING GROUND STAFF AWARDS

presents to you by

The Australian Jumps Racing Association would like to celebrate the hard work and enthusiasm of the participants by creating an awards program dedicated to ground staff, stable hands & strappers who are an integral part of the Australian Jumps Racing Industry.

With a total prize pool of over \$10,000 - these awards aim to increase engagement with stables, trainers and staff as individuals or as a team.

To be eligible each nominee must be employed under a trainer who has a registered jumps racing licence in 2022.

Each category has been carefully created to highlight the individual achievements in each different category.

This recognition program is designed to encourage horse owners, trainers, clubs, office staff & administration within the Jumps Racing Industry to engage and participate. By acknowledging the individual achievements the AJRA hope to build a strong comardary within the sport. It is our intention to celebrate these awards each year at the annual jumps racing awards night where the recipient can be celebrate amongst their peers.

AWARDED CATEGORIES FOR 2022

HORSEMANSHIP AWARD

This is to be awarded to a participant who has shown skill in horsemanship either on the ground or while riding track work. The winning applicant will be awarded for their ability to work with horses with a focus on their care and wellbeing. This award also highlights the connection the staff member has to animals and their talent in the area of horsemanship both on and off the track.

EXCELLENCE IN PRESENTATION ON RACE DAY AWARD

An award highlighting the presentation of horse and their strapper. Consistent care in presentation and turnout will be highlighted by those who nominate them. We encourage owners to watch and assess their horses' turnout on race day while at the track or via [racing.com](https://www.racing.com).

EQUINE WELFARE LIFE AFTER JUMPS RACING AWARD

This award is dedicated to those who are passionate about rehoming jumps horses in their post racing career. The nominee's commitment to the horses they care for both during its racing career and after will be key factors for this award.
