**IMPORTANT NOTICE**

**WARRNAMBOOL JUMPS TRIALS RESCHEDULED**

Racing Victoria (RV) advises that the Warrnambool Jumps trials scheduled on Tuesday, 22 June will be rescheduled to Thursday, 24 June.

Updated interstate travel requirements now allow regional based Victorian riders that haven't been to Greater Melbourne to travel to South Australia to ride in the jumps races at Murray Bridge on Wednesday, 23 June.

As a result, travelling riders are required to travel to South Australia, then get COVID tested and receive their negative result prior to Wednesday's meeting, which most likely requires travel on Monday, 21 June.

Rescheduling the trials to Thursday, 24 June ensures there are adequate riders for the jumps meeting on Wednesday and the trials on Thursday.

Nominations for the trials will now close at 12noon on Tuesday, 22 June. Horses nominated for Tuesday will remain nominated for the rescheduled trials, with any amendments to entries to be made before the closing deadline.
